

Ditsy and delicate, the warming abstract flowers of the Serenity design offer home comforts inspired by the depths of nature. With a focus on form and composition, this exquisite offering draws inspiration from gardens of the orient. Sprawling freely in all directions, the flower forms flow organically across any home setting, trailed by an echo of ever-shrinking dots. With a gentle texture to echo the soothing nature of the print, an array of colour options reflect the style and essence of the design.
